(Assassination, Murder, Genocide, Torture, & the Subversion of Nations)

**NOTE:** All emphasis throughout this newsletter, unless otherwise noted, is by the editor of “*Tackling the Tough Topics* (TTT)”.

**WARNING:** This TTT newsletter may seriously “disturb” some folks’ “*comfort zones*”; however, TRUTH is far more important than any of our “*comfort zones*”.

**DEDICATION:** This TTT issue is dedicated to all those who are fighting against corruption and tyranny – including ecclesiastical tyranny!

**DEFINITIONS** (hopefully in alphabetical order):

**“Croatia”** (per *Webster’s New World Dictionary, Second College Edition*; 1974): “[A former constituent] *republic of [the Federated People’s Republic of] Yugoslavia, in the northwest part: formerly, until 1918, a kingdom.*” [Ed. Note: In the 1940s it was an “independent” Fascist State, and an ally of Nazi Germany. It became an independent republic in 1990 with the breakup of Yugoslavia.]

**“Crusade”** (per *Webster’s New World Dictionary, Second College Edition*; first two meanings): “1. *Any of the military expeditions which Christians [Ed. Note: to be more precise, **Roman Catholics**] undertook from the end of the 11<sup>th</sup> [century] to the end of the 13<sup>th</sup> century to recover the Holy Land from the Moslems.* 2. *Any church-sanctioned war or expedition like this.*”

((Ed Comment to the preceding definition: The **Papacy** launched “*holy*” **crusades** against Bible-believing Christian groups, such as the Albigenses in southern France, and the Waldenses in southeastern France and northwest Italy.))

**“Fascism”** (per *Webster’s New World Dictionary, Second College Edition* – second meaning): “*A system of government characterized by rigid one-party dictatorship, forcible suppression of opposition, private economic enterprise under centralized governmental control, belligerent nationalism, racism, and militarism, etc.: first instituted in Italy in 1922.*”

**“Franciscan”** (per *Webster’s New World Dictionary, Second College Edition*): (**Adjective**: second meaning): “*Designating or of the [Roman Catholic] religious order founded by him [i.e., Saint Francis of Assisi] in 1209...*” (**Noun**): “*Any member of this order [i.e., the Franciscan Order].*”

**“Genocide”** (per *Webster’s Seventh New Collegiate Dictionary*; 1971): “*The deliberate and systematic destruction of a racial, political, or cultural group.*”

**“Genocide”** (per Frank Chalk and Kurt Jonassohn, co-authors of *The History and Sociology of GENOCIDE*): “*A form of **one-sided mass killing** in which a state or other authority [Ed. Note: such as a **RELIGIOUS** authority] intends to **destroy** a group, as that group and membership in it are defined by the perpetrator.*” (*The History and Sociology of GENOCIDE*; 1990; Page 23)

**“Genocide”** (per Professor R. J. Rummel, author of *Death by Government*): “*Among other things, the **killing** of people by a government because of their indelible group membership (race, ethnicity, religion, language).*” (*Death by Government*; 1994; Page 31)

**“Heretic”** (per *Webster’s Seventh New Collegiate Dictionary*): (a.) “*A dissenter from established church dogma; especially: a baptized member of the Roman Catholic Church who disavows a revealed truth*”; (b.) “*One that dissents from an accepted belief or doctrine of any kind.*”

((Ed. Note: *Webster’s 1828 American Dictionary of the English Language* adds this important clarification for the term “heretic”: “*In strictness, among Christians, a person who holds and avows religious opinions contrary to the doctrines of Scripture, the ONLY rule of faith and practice.*” See below.))

**“Heretic”** (per *Webster’s 1828 American Dictionary of the English Language*): “*1. A person under any religion, but particularly the Christian, who holds and teaches opinions repugnant to the established faith, or that which is made the standard of orthodoxy. In strictness, among Christians, a*

*person who holds and avows religious opinions contrary to the doctrines of Scripture, the only rule of faith and practice. 2. Any one who maintains erroneous opinions."*

**"Heretic"** (per Darryl Eberhart, Editor of TTT): *"As concerns historical Roman Catholic use of this term: A 'label' applied by the Papacy to anyone who dared in the past, or who dares today, to question either (1) papal authority, or (2) any of the unscriptural doctrines based solely upon 'tradition' that have been promulgated by the hierarchy of the Roman Catholic Church, such as 'transubstantiation', 'indulgences', 'papal infallibility', 'purgatory', 'worship of images', 'a celibate priesthood', 'auricular confession to a priest', etc."*

((Ed. Comment to the preceding definitions of "heretic": It is easy for corrupt church officials to "label" a group of people (even an entire region) as "heretics", and then to send armies to crush them and loot their property! This has happened far too frequently in past centuries, and the culprit has been the hierarchy of the Roman Catholic Church – i.e., **Papal Rome**..))

**"Inquisition"** (per Webster's 1828 American Dictionary of the English Language): (Meaning #4): *"In some [Roman] Catholic countries, a court or tribunal established for the examination and punishment of 'heretics'. This court was established in the 12<sup>th</sup> century by 'father' Dominic, who was charged by Pope Innocent III with orders to excite [Roman] Catholic princes [i.e., rulers] and people to extirpate [i.e., destroy completely] 'heretics'."*

**"Jesuit Order"** (per Darryl Eberhart, Editor of TTT): *"The Jesuit Order is a religious order of the Roman Catholic Church, officially approved by Pope Paul III in 1540. The primary goals of this order are (1) to roll back the Protestant Reformation and the freedoms that it brought to many of the inhabitants of this planet; (2) to enhance the power and prestige of the Papacy; and (3) to rule despotically over the governments of the world through the Papacy. The head of the Jesuit Order is the Jesuit Superior General – the 'Black Pope' – the real power behind the Papal throne. The Jesuit Order is infamous for fomenting revolutions and wars, assassinating heads of State, and subverting nations."*

**"Knights of Malta"** (per Darryl Eberhart, Editor of TTT): *"A Roman Catholic religious-military order headquartered in Rome with, and under the command of, the Jesuit Superior General. Much of the wealth of the Knights Templar, when it was disbanded in 1312, was given to the Knights of Malta. Many Knights of Malta have held top-level positions in various governments, in the world's foremost intelligence agencies, in international banking, and in the publishing world. A number of Knights of Malta continue to hold such positions."*

**"Mass Murder"** (per Darryl Eberhart, Editor of TTT): *"The indiscriminate killing of any person or group of people by either a government, or by a religious institution – or, by a government **AND** a religious institution working hand-in-hand together to eliminate their perceived enemies."*

**“Papal Rome”** (per Darryl Eberhart, Editor of TTT): *“The government of the Roman Catholic Church, whose headquarters is presently in Rome, Italy.”*

**“Ustashi”** – “Catholic Actionists” – The Roman Catholic militia (and later army) in the Roman Catholic Fascist State of Croatia during World War II.

**“Vatican”** (per Webster’s New World Dictionary, Second College Edition; 1974): *“1. The papal palace, consisting of a group of buildings in Vatican City. 2. The papal government or authority.”*

**IMPORTANT NOTE #1:** I am not a Roman Catholic; I also am not anti-Roman Catholic as far as **individual** Roman Catholics go. My dad and 90% of my relatives are Roman Catholic; and the majority of my friends are Roman Catholic. I am, however, against the top levels of **secret societies** (from the hierarchy of the **Jesuit Order** to the hierarchy of **Freemasonry**). This is because these secret societies control the leadership of the Roman Catholic Church (through the **Jesuit Order** and **P2 Masonry**), and have often used this hierarchical system for evil purposes, such as “*holy*” **Inquisition**, “*holy*” crusades, “*holy*” wars, and religious genocide. The hierarchical system of the Roman Catholic Church is used quite effectively by secret societies not only to keep over one billion Roman Catholics “in line”, but also to gather intelligence, and to infiltrate (through its **Knights of Malta**, Jesuit “*temporal coadjutors*”, etc.) governments and various Christian denominations. I am also against any religious **hierarchy** that tries to place itself equal to, or above, the Lord Jesus Christ, the Son of God – or equal to, or above, God’s Holy Word (i.e., the Holy Bible) and His Ten Commandments!

**IMPORTANT NOTE #2:** We can no longer afford to REMAIN SILENT on critical issues for fear of offending any particular group – in this case, Roman Catholics. Please carefully consider this quote by author Dave Hunt: *“We are told to love one another as Christ has loved us. Pop psychology trivializes that command by equating it with a ‘positive’ attitude. Forgotten is the first duty of love: to **speak the truth** (Ephesians 4:15). Real love does not flatter or soothe when correction is needed but [rather] **points out the error** which is blinding and harming the loved one. Christ said, ‘As many as I love, I rebuke and chasten; be zealous, therefore, and repent’ (Revelation 3:19). Instead, the idea is now current that love excludes rebuke, ignores the truth, and seeks unity at any price. Only **disaster** can result.”* (*A Woman Rides the Beast*; 1994; Page 403)

### **Why Am I Writing More & More About Roman Catholicism?**

This editor of the ETI and TTT newsletters has been writing more on the Roman Catholic Church’s hierarchy, and especially the Jesuit Order, in recent newsletters because I keep uncovering

more and more about the **deep hatred** that the hierarchy of the Roman Catholic Church has for independent Bible-believing Christians, Protestants, Orthodox Christians, and Jews. We Americans have, for the most part, been largely ignorant of the well-documented history of the Roman Catholic Church in conducting **brutal religious genocide** (via “holy” **Inquisition**, “holy” wars, and “holy” crusades) against all the afore-mentioned groups. Sadly, many Americans believe the “*ecumenical rhetoric*” of Roman Catholic prelates – i.e., that ***Papal Rome*** has “changed her ways” and now loves all the “*separated brethren*”. However, my study of the Papacy shows me that this is just a **RUSE** [i.e., a “*stratagem*” – per Webster’s Dictionary: “*any trick or scheme for achieving some purpose*”]. The “*purpose*” is to bring all Christian denominations under the “*umbrella*” [i.e., the **control**] of the ***Papacy***!

Yes, the Papacy [i.e., ***Papal Rome***], despite its “*ecumenical rhetoric*”, has **not** changed a bit over the many centuries in the following categories:

- Its **deep hatred** of Jews, all independent Bible-believing Christians, Protestants, and Orthodox Christians (as recently as the **1940s** we find Roman Catholic ***Ustashi*** military units in Croatia, led and urged on by Franciscan priests, monks, and friars, slaughtering from **600,000 to one million** innocent Serb Orthodox Christian men, women, elderly, and children – many of the victims being first brutally tortured);
- Its long-held **dream** to bring all Christians under its **monopolistic, totalitarian, ecclesiastical control**;
- Its long-held **dream** to **head up a totalitarian one-world religious organization**; and,
- Its long-held **dream** to bring all world leaders – especially those in “Christian” countries – **under the temporal power of the pope**. (That is, the Papacy would be the top player and “controller” in a one-world government – just as it was the top player and controller on the European continent for many centuries! Kings indeed bowed before **popes**.)

Power – **absolute power** – has long been the pursuit of ***Papal Rome***. History has recorded ***Papal Rome’s deep hatred*** for religious liberty and freedom of conscience. The U.S. Constitution, with its “*Bill of Rights*” guaranteeing such liberties, has long been **hated** by ***Papal Rome***. (For a good example of this hatred, please read the *Syllabus of Errors* issued in 1864 by Pope Pius IX.) I have heard that there is an acronym in use by some *Knights of Columbus* in America. This acronym is “**M.A.C.**”: “**M***ake A***A***merica C***C***atholic*”. America is the last “roadblock” in the way of ***Papal Rome*** and her globalist rich and power elite lackeys in their **quest** for one-world government and one-world religion. Is **America** scheduled for a religious genocide – an **Inquisition** – as occurred in the **1940s** in Croatia? I believe the danger is **very real** and **possibly quite imminent** – and that is why I have been writing more and more about ***Papal Rome***, her long-held **dreams** of world domination, her love of Fascist regimes, and her well-documented history of torture and religious genocide!

**HERE ARE SOME RELEVANT QUOTATIONS:**

*“Disregarding the maxims and the spirit of the Gospel, the **papal** Church, arming herself with the power of the sword, vexed the [true] Church of God and wasted it for centuries, a period most appropriately termed in history, the ‘dark ages’. The kings of the earth gave their power to the Beast.”*

John Foxe (Elizabethan historian; 1516-1587; Foxe’s Book of Martyrs)

((Ed. Comment to the preceding quote: Foxe’s Book of Martyrs is a **must-read** book for all Christians. It documents the horrible persecution, torture, and murder of innocent Christians by a power-hungry religious institution determined to exterminate all who opposed its claims to “rule” in all matters – religious and secular! Please see the last section for information on how to order this book.))

*“The union of the Church with the State renders persecution possible; and hitherto churches have not been slow to avail themselves of the secular arm that they might confound all dissent with arguments which come home to the bone and the flesh [Ed. Note: flogging, torture, and execution]. All churches, when they lose the spirit of Christ, are very prone to persecute; but a horrible pre-eminence must be awarded to the scarlet harlot of the seven hills [Ed. Note: he is referring to **Papal Rome**], for no church on earth except that of **Rome** has had a separate institution [i.e., the **Office of Inquisition**] for hunting out and destroying ‘heretics’.” – Charles Haddon Spurgeon (1834-1892; famous English Baptist preacher; “The Inquisition”; 1868)*

*“Long pampered by the State, she [i.e., the **Roman Catholic Church**] came to be its lord and tyrant, using fire and sword, prison and rack, to work her accursed will. The **Inquisition** was the masterpiece of infernal craft and malice, and its deeds were far more worthy of fiends than men. If the **church of Rome** could at this moment change its Ethiopian skin forever, lay aside its leopard’s spots, and become a pure community, ten thousand years of immaculate holiness and self-denying philanthropy could not avail to blot out the remembrance of the enormous crimes with which the **Inquisition** has loaded it. There is a deep and indelible sentence of damnation written upon the apostate church by avenging justice for its more than infernal cruelties, and the curse is registered in heaven; nor can any pretences to present liberality reverse the condemnation which outraged humanity has pronounced against it; its infamy is engraven in the rock forever. Centuries of the most liberal policy would not convince mankind that Popery had become tolerant at heart; she wallowed so greedily in oppression, torture, and murder in her palmy [i.e., flourishing] days, that the foam of human gore hangs around her wolfish fangs, and men will not believe her to be a gentle lamb, let her ‘bleat’ as she may.”*

Charles Haddon Spurgeon (“The Inquisition”; 1868)

((Ed. Comment to the preceding quote: The above words might seem very strong to some folks; however, when one reads books such as Foxe’s Book of Martyrs, those above words are indeed quite appropriate. The history of the Roman Catholic **Inquisition**, with its brutal torture of human beings over a period of centuries, is a history of the most savage cruelty – cruelty rarely matched by even the most savage of pagan societies.))

“[Papal] **Rome** made the worst possible use of the weapon which the State gave her, but the radical evil was the State’s entering into alliance with the Church, and lending its power to fulfill her purposes. Had true church principles prevailed, the crimes which make us shudder would have been impossible. Disarm and dis-establish every sect, and leave each religion to its own moral and spiritual power, and no inquisition can be dreamed of; but put forward the doctrine that a state should propagate or maintain religion, and you have uncaged the ‘lion’; no one knows how much he may rend and devour.”

Charles Haddon Spurgeon (“*The Inquisition*”; 1868)

((Ed. Comment to the preceding quote: This alliance of State and Church occurred not only in the *dark ages* hundreds of years ago, but it also occurred in the **1940s** when the Fascist State of Croatia combined with the hierarchy of the Roman Catholic Church to carry out savage religious genocide against innocent Serb Orthodox Christian men, women, elderly, and children – torturing and murdering from **600,000 to one million** of them in a modern-day Inquisition.)

“To prevent forever the possibility of **Papists** [i.e., Roman Catholics] roasting Protestants, Anglicans hanging Romish priests, and Puritans flogging Quakers, let every form of state-churchism be utterly abolished, and the remembrance of the long curse which it has cast upon the world be blotted out forever.” – Charles Haddon Spurgeon (“*The Inquisition*”; 1868)

((Ed. Comment to the preceding quote: A number of Roman Catholic priests (to include Jesuits such as Henry Garnett [or, Garnet] – the Jesuit Provincial for the English Province) were hung by the English authorities because they tried either to assassinate an English monarch or to overthrow the country and return it under Roman Catholic rule! The execution of **criminal priests** CANNOT be compared to the brutal torture and murder of **innocent people** simply because they disagreed with papal doctrines or practices, or refused to bow to papal authority!))

“The desire for worldly power began to manifest itself in the [early] Church, on a broad scale, in the 4<sup>th</sup> century, when the Roman Empire ceased its persecutions, and made Christianity its **State** religion. The spirit of **Imperial Rome** passed into the [**Roman** Catholic] **Church**. The [Roman Catholic] Church gradually developed itself into the pattern of the Empire it had conquered.

[Imperial] Rome fell. But Rome came to life again, as a world power, in the name of the [Roman Catholic] **Church**. The **popes of Rome** were the heirs and successors of the Caesars of Rome. The Vatican is [located] where the Palace of the Caesars was. The [Roman Catholic] popes have claimed all the authority the Caesars claimed, and more. The Papal Palace, throughout the centuries, has been among the most luxurious in all the world. Popes have lived in pomp and splendor unsurpassed by earthly kings. In no place on earth is there more ostentatious pageantry and show of magnificence than at the coronation of a pope.

*...The **horrors** of the **Inquisition**, ordered and maintained by the popes, over a period of **500 years**, in which unnumbered millions were **tortured and burned**, constitute the most brutal, beastly and devilish picture in all history.*

*...The city of Rome, first pagan, then papal, has been the dominating power of the world for two thousand years (200 B.C. to A.D. 1800).*

*...It is inconceivable that any ecclesiastical organization, in its mania for power, could have distorted and desecrated and corrupted, for its own exaltation, the beautiful and holy religion of Jesus [Christ].”*

Dr. Henry H. Halley (Halley's Bible Handbook)

“History records the appalling story of suffering and martyrdom endured by untold **millions** across the centuries at the hand of the **PAPAL** [Mass-Murdering] **MACHINE**.”

Wilson Ewin (You Can Lead Roman Catholics to Christ; 1981; Page 33)

*“For rejecting the doctrine of transubstantiation, Christians were burned at the stake by **Roman Catholics** by the hundreds of thousands. Church historian R. Tudor Jones writes that ‘the majority of the martyrs were ordinary people, including many women...’*

*John Foxe [Elizabethan historian; 1516-1587] was an eyewitness and earnest historian of the fierce persecution in England in his day. His Book of Martyrs gives detailed accounts of many public trials and executions of those whom the **Roman Catholic Church** judged to be ‘heretics’ worthy of death. His descriptions of Christians being burned at the stake tell of their inspiring bravery in the face of such a horrible death and of the determination of Roman Catholicism to **exterminate** everywhere true Christians who opposed her.*

*Similar records have come down of the **massacres** of Jews at the hands of the Roman Church.” – Dave Hunt (A Cup of Trembling; 1995; Page 160)*

((Ed. Comments to the preceding quote: (1) The Roman Catholic Church was predominant in England until the **1520s**. She tried often to regain that primacy, and succeeded for a short time under the rule (**1553-1558**) of Roman Catholic Queen “Bloody” Mary I. (2) Foxe's Book of Martyrs documents some of the persecution, torture, and murder of innocent Christians by **Papal Rome**!))

*“Through relentless torture, starvation, genocide, massacres, burning at the stake, against every conceivable fury of [Papal] Rome, they [i.e., the “seeds of protest”] could not be extinguished. History estimates that over one hundred million people lost their lives during that time of [Papal] Roman tyranny. Is it any wonder that God graphically describes this onslaught of [Papal] Rome as her being ‘drunken with the blood of the saints, and with the blood of the martyrs of Jesus’ [Revelation 17:6], and calls her the ‘Beast’?”*

John Daniel (*The Grand Design Exposed*; 1999; Page 27)

((Ed. Comment to the preceding quote: Does history repeat itself? Could a “Holy” **Inquisition** ever take place here in **America**? Religious genocide took place in Fascist Croatia in the **1940s**, led by Roman Catholic **priests, monks, and friars** (mostly Franciscans). The result: from **600,000 to 1 million** innocent Serb Orthodox Christians were brutally tortured and murdered!))

*“The Medieval Inquisition had flourished for centuries when Pope Paul III, in 1542, gave it permanent status as the first of Rome’s Sacred Congregations, the ‘Holy, Catholic and Apostolic Inquisition’. Known more recently as the ‘Holy Office’, its name was changed in 1967 to the ‘Congregation for the Doctrine of the Faith’...*

*...Therefore it is not surprising that the ‘Office of the Inquisition’ still occupies the Palace of the Inquisition adjacent to the Vatican, though under its new name, the ‘Congregation for the Doctrine of the Faith’. Its current **Grand Inquisitor**, who reports directly to the pope, is the former Archbishop of Munich, Joseph Cardinal Ratzinger, whom Time [Magazine] has called ‘the world’s most powerful cardinal [and] the Catholic Church’s chief enforcer of dogma...’.*”

Dave Hunt (*A Woman Rides the Beast*; 1994; Page 261)

((Ed. Comment to the preceding quote: The “Office of the Inquisition” still exists. It has undergone several “name changes”. Its current name is the “Congregation for the Doctrine of the Faith”. Joseph Cardinal Ratzinger, head of the “Office of the Inquisition” for over 20 plus years, became Pope Benedict XVI in 2005. Will he or the next pope soon implement an “**Inquisition**” in the **USA** similar to the one that occurred in Fascist Croatia in the **1940s**?))

*“What has turned my soul against Roman [Catholic] abuse of power is the way in which it has tortured and burned such saints of God as Joan of Arc, hundreds of the Albigensian martyrs in France in the 12<sup>th</sup> century, the Knights Templar, John Huss [Czech Jan Hus], the Dominican Savonarola, the Dominican Giordano Bruno, [and] the Anglican bishops Cranmer, Ridley, and Latimer. The Inquisition has promoted at least two wholesale massacres: [hundreds of] thousands of Protestant Waldensians in northern Italy [and in southeastern France], and thousands of Protestant Huguenots by the massacre of St. Bartholomew in France. More than 30,000 of the most cultured Protestants of France were put to the sword on the night of St. Bartholomew, August 24, 1572. At the news [of this brutal, bloody massacre], the Pope had cannons fired, proclaimed a jubilee, ordered a Te Deum of thanksgiving to be sung, and struck a special medal to commemorate the glorious ‘victory’.*”

Charles A. Bolton (Ex-Roman Catholic priest)

*"To wring out confessions from these poor creatures [Ed. Note: during the "holy" **Inquisition**], the Roman Catholic Church devised ingenious **tortures** so excruciating and barbarous that one is sickened by their recital."*

Dave Hunt (*A Woman Rides the Beast*; 1994; Page 80)

((Ed Comment to the preceding quote: How could a "religious" institution that calls itself "Christian" brutally torture human beings?))

*"Inability to discern the paganism of Romanism [i.e., Roman Catholicism] springs undoubtedly from a **deep spiritual blindness**. Disturbing enough, this would speak of a fundamental ignorance of the Gospel of Jesus Christ itself on the part of many claiming to be Christians.*

*Perhaps for the majority, ignorance of the Vatican constitution merely stems from a simple lack of being informed. For too many, however, ignorance of popedom comes as the result of a deliberate choice. It grew in preference for acceptability, personal benefit, and the praise of men.*

*To have squarely faced the issue of [Roman] Catholicism with frankness and sincerity of heart, the individual would have paid a **price**. It **cost** the reformers and other **MILLIONS** **their very lives...**"*

Wilson Ewin (*You Can Lead Roman Catholics to Christ*; 1981; Page 25)

(2) Questioning or criticizing **Papal Rome's** doctrines, authority, etc., has cost **millions** of Christians their lives.))

*"...For the unbiased researcher, history reeks of the butchery of Romanism, where whole cities and populations were unmercifully wiped out, just because they worshipped God in a manner that was different from Roman Catholicism." – John Daniel (*The Grand Design Exposed*; 1999; Page 78)*

*"A king need not fear to command **massacres**, when those will retain his subjects in obedience... We order you, in the name of religion, to invade his states, **burn** his cities, and **massacre** his people." – Pope Nicholas I (800? – 867 A.D.; Pope: 858-867) (860 A.D. letter to the King of Bulgaria)*

*"If you must have **blood**, bathe in the blood of infidels. Soldiers of hell, become soldiers of the living God!" – Pope Urban II (1042? -1099; pope: 1088-1099) (Addressing a crowd in Clermont, France in November 1095 in order to inspire people to join the First Crusade to capture the Holy Land for Papal Rome)*

*"Christians [i.e., **Roman Catholics**] of the twelfth century accused the Jews of kidnapping Christian children either to sacrifice them to Jahveh, or to use their blood as medicine or in the making of unleavened bread for the Passover feast. Jews were charged with poisoning the wells... and of stealing consecrated wafers to pierce them and draw from them the blood of Christ...[and] of draining the wealth of Christendom into Jewish hands."*

Will Durant (1885-1981; historian; *The Story of Civilization*)

((Ed. Comment to the preceding quote: Such **hatred** by the hierarchy of the Roman Catholic Church for the Jews has **led to many massacres of Jews** throughout history at the hands of **Roman Catholics**..))

*"To a Jew, Hitler and [Italian Fascist dictator] Mussolini were Christians. In fact, they were **Roman Catholics** from birth, and in spite of their horrendous crimes against humanity they were never excommunicated from their Church. The same was true of [Nazi **SS** Chief Heinrich] Himmler and many others in the Nazi hierarchy. Indeed, the **Roman Catholic Church** has a long history of persecution, expulsion, and slaughter of Jews, to which Hitler referred in justifying the **Holocaust**." – Dave Hunt (*A Cup of Trembling*; 1995; Page 158)*

*"...The Roman Inquisition...had been administered since 1542 by the **Jesuits**." – F. Tupper Saussy (*Rulers of Evil*; 1999; Page xviii)*

*"...The [Roman Catholic] Church to rule the world; the ["White"] Pope to rule the Church; [and] the **Jesuits** [Ed. Note: headed by the "Black Pope", the Jesuit Superior General] to rule the ["White"] Pope – such was and is the program of the Order [i.e., Society] of Jesus [i.e., the Jesuit Order]."*

John Daniel (*The Grand Design Exposed*; 1999; Page 64)

((Ed. Comment to the preceding quote: The Jesuit Superior General – the *Black Pope* – is the power behind the papal throne!))

*“The **Jesuits**...are simply the Romish army for the earthly sovereignty of the world in the future, with the **Pontiff of Rome for emperor**...that’s their ideal... It is simple lust of power, of filthy earthly gain, of domination – something like a universal serfdom with **them** [i.e., the Jesuits] as masters – that’s all they stand for. They don’t even believe in God perhaps.”* (1880)

Fyodor Dostoyevsky (1821-1881; Russian novelist)

*“Of eighty popes in a line from the thirteenth century on, **not one** of them disapproved of the theology and apparatus of **Inquisition**. On the contrary, one after another added his own cruel touches to the workings of this **deadly machine**.”* – Peter de Rosa (*Vicars of Christ: The Dark Side of the Papacy*)

*“Pontifex Maximus [i.e., the pope of Rome] has laundered the Inquisition’s name twice. In 1908, Pope Pius X renamed it ‘the Holy Office’, which [Pope] Paul VI transformed into [the] ‘Congregation for the Doctrine of the Faith’ in 1965.”* – F. Tupper Saussy (*Rulers of Evil*; 1999; Page 304)

((Ed. Comment to the preceding quote: The current pope, Benedict XVI [formerly known as Joseph Cardinal Ratzinger], pulled five terms as the head of the “*Office of the Inquisition*” – known since 1965 as the “*Congregation for the Doctrine of the Faith*”. Author Dave Hunt gives the date of the “name change” as 1967.))

*“The fact is that very few Protestants [Ed. Note: or other Christians] have realized how entirely **Rome** is a **political** church, and that she always makes her **political** advancement her first object.”* – M. F. Cusack (*The Black Pope*)

*“Roman Catholicism was born in **blood**, has wallowed in **blood**, has quenched its thirst in **blood**, and it is in letters of **blood** that its true history is written.”* – Baron DePonnat (French statesman; Statement made in 1940)

*“Post Vatican II [Ed. Note: the Council; 1962-65] euphoria has bewitched Protestants into thinking that the ‘new Catholicism’ is not the ‘old Catholicism’. Yet an examination of Vatican II documents makes it clear that there has been a change of ‘**image**’, but **not substance**; that there has been **no** real change in any of the basic doctrines that caused [the Reformer Martin] Luther [1483-1546] to stand against the Roman Catholic denomination.”*

Bartholomew F. Brewer (Ex-Roman Catholic priest of the Discalced Carmelite Order)

## I. INTRODUCTION

This is indeed a “tough topic” about which to write. It is a “tough topic” that will no doubt disturb some folks’ comfort zones. However, it is a topic that **must** be “tackled” because history **does** indeed repeat itself. The “actors”, places, and times may change; however, the same “**scripts**” seem to be repeated – over and over again! If we refuse to learn the “*lessons*” of history, then we **will** repeat the “*mistakes*” of history – as Spanish philosopher Santayana wisely noted.

Many people make the mistake of thinking that the Roman Catholic Church is solely a **religious** institution. The Roman Catholic Church is far more than just a **religious** institution. It is the top player on the **geopolitical** scene, having by far the best intelligence gathering apparatus that the world has ever seen (through its diplomatic relations, its numerous religious orders, and the confessional box)! If not the richest **financial** institution in the history of the world, then it certainly ranks near the very top of the heap. (It probably is the richest!) It also heads the ecumenical drive for **one-world religion**. And the Roman Catholic Jesuit Order is the most powerful **secret society** in the world, controlling not only its many Jesuit “foot soldiers”, but also controlling the powerful *Knights of Malta*, the top levels of Freemasonry, and the Papacy itself!

The hierarchy of the Roman Catholic Church has a well-documented history of torture, assassination, religious genocide, political intrigue, ecclesiastical tyranny, the fomenting of revolutions and wars, and the subversion of nations. For centuries this hierarchical system brought the people of Europe the “**dark ages**” and feudalism. Kings were crowned and deposed by the **Papacy** – and kings bowed their knees to power-hungry **popes** who rivaled the greatest rulers the world has ever seen – in both wealth and power!

The **Papacy** ruled Europe for centuries. The **pope** had both temporal and spiritual authority over all his subjects. Though the popes temporarily **appeared** to lose their “temporal power” over the kings of the earth near the end of the 19<sup>th</sup> century, there can be no doubt that the Papacy (the Vatican) still aspires to **rule openly over the kings and peoples of the earth** once more!

Let us take a look at but a “small sample” of the **Papacy’s** long track record of assassination, murder, genocide, torture, and the subversion of nations (hopefully in chronological order):

## II. A History of Assassination, Murder, Genocide, Torture, & the Subversion of Nations

Important NOTE: Since the mid-1540s to the present, the Jesuit Order has controlled the Papacy, with the exception of only a few years here and there. In other words, the “*Black Pope*” (i.e., the **Jesuit Superior General**) has controlled the “*White Pope*” for most of the last four centuries plus. When you read the following “bullet-point” chronological list, please remember that **Papal Rome** has long hated Jews, Protestants, Bible-believing Christian groups, and Orthodox Christians – and has, whenever and wherever opportunity presented itself, slaughtered all these groups with brutal savagery. The Jesuit Order has, more often than not, been at the forefront of this butchery in the past four centuries.

- **1095 – Pope Urban II** proclaims the First Crusade. Here is what historian Will Durant has written concerning this Papacy-instigated murder spree: *“When in 1095, Pope Urban II proclaimed the First Crusade, some Christians [i.e., **Roman Catholics**] thought it desirable to kill the Jews in Europe before proceeding so far to fight Turks in Jerusalem. Godfrey of Bouillon, having accepted the leadership of the crusade, announced that he would avenge the blood of Jesus upon the Jews...leaving not one of them alive; and his companions proclaimed their intention to kill all Jews who would not accept Christianity [i.e., **Roman Catholicism**].”*
- **1096 – Roman Catholic** Crusaders slaughter half the Jews of Worms, Germany on their way through that city.
- **1099 – Roman Catholic** Crusaders, sent on a “*holy*” mission by the **pope of Rome** [i.e., Pope Urban II], make it to the walls of Jerusalem. Upon capturing the city, the Crusaders herd the Jews into the synagogue, and then set it on fire. These **Roman Catholic** Crusaders butcher almost all of the city’s inhabitants – men, women, and children – Jews, Moslems, and probably even a few Christians! (The **Roman Catholic** Crusaders had earlier slaughtered the inhabitants of Antioch – men, women, and children – when they had captured that city!)
- **1208-1226** – The “*Albigensian Crusades*” take place. **Pope Innocent III** orders a crusade to be launched against the Albigensian Christians in southern France, and armies are sent to exterminate them. At the French city of Beziers over 20,000 men, women, and children are butchered. The Albigensian Christians are wiped out. Dr. Henry H. Halley tells us the following about the Albigensian Crusades in Halley’s Bible Handbook:

“[The Albigensian Christians] *preached against the immoralities of the [Roman Catholic] priesthood, pilgrimages, worship of saints and idols...opposed the [Ed Note: pompous and pretentious] claims of the Church of Rome; made great use of the Scriptures.*

*...By 1167 they [i.e., the Albigensian Christians] embraced possibly a majority of the population of South France.*

*...In 1208 a **crusade** was ordered by **Pope Innocent III**; a bloody war of **extermination** followed, scarcely paralleled in history. Town after town was put to the **sword**, and the inhabitants **murdered** without distinction of age or sex.*

*...Within a hundred years the Albigenes were utterly rooted out.*"

NOTE: Here is what Frank Chalk and Kurt Jonassohn (co-authors of *The History and Sociology of GENOCIDE*; 1990) have to say about the Albigenian Crusades:

*"The Albigenian Crusades slash through the history of France and of the [Roman Catholic] Church like a gaping wound. From 1208 to 1226 the **papacy** sent army after army to the South of France to crush the Albigenian 'heretics' and to punish their supporters. ...They [i.e., the Albigenian Crusades] began with a calculated act of **terror**, the **massacre** of [Ed. Note: large numbers of men, women, and children at] Beziers; they ended with the establishment of the **Inquisition**, one of the most effective means of 'thought control' that Europe has ever known. They [the papal armies] were completely successful: The losing faith, the Albigenian 'Heresy', was **exterminated**.*

*...Their disappearance as a social group was carefully planned and executed with persistent cruelty.*" (Page 115)

NOTE: A similar "extermination plan" was executed over 700 years later (in the **1940s**) by Roman Catholic **Ustashi** military units in Fascist Croatia.

- **1236 – Roman Catholic** Crusaders slaughter Jews in the Anjou and Poitou regions of western France. Historian Will Durant tells us: "[Roman Catholic Crusaders] *invaded the Jewish settlements of Anjou and Poitou. ...[These Roman Catholic Crusaders] bade all Jews be baptized; when the Jews refused, the [Roman Catholic] Crusaders trampled 3000 of them to death under their horses' hoofs.*"
- **1243 – All Jews in Belitz, Germany (near Berlin) are burned alive by Roman Catholics.** According to historian Will Durant, their alleged crime was that "*some of them had defiled a consecrated host*".
- **1298 – All Jews in Rottingen are burned to death by Roman Catholics.** According to historian Will Durant, their alleged crime was "*desecrating a sacramental wafer*".
- **14<sup>th</sup> century (1300s) – The Roman Catholic Church** blames the Jews for the "*Black Death*" (probably the bubonic plague). Here is what author Dave Hunt has written in his book,

*A Woman Rides the Beast* (1994), concerning this time in history: “From the time the popes ruled Rome, the Jews’ plight...was far more grievous than it had ever been at the hands of the pagan rulers. Pagans had blamed every disaster upon Christians. Now the **Roman Catholic Church** blamed all on the Jews. Accused of causing the ‘Black Death’, Jews were rounded up and hanged, burned, and drowned by the thousands in revenge.” (Page 267)

- **July 6, 1415** – Jan Hus (English spelling: John Huss), a Czech Roman Catholic priest for years (and a Reformer), is first excommunicated, and then shortly thereafter is burned at the stake on orders from the hierarchy of the **Roman Catholic Church**. He had vigorously opposed auricular confession, papal indulgences and corruption, masses for the dead, etc. He attended (under guaranteed “safe passage”) the Council of Constance in order to defend his beliefs; however, his *safe passage* was revoked and he was condemned and executed **without** getting a fair chance to present a defense of his beliefs.
- **1429** – **Pope Martin V** orders the King of Poland to exterminate the Christian Hussites (named after Czech martyr Jan Hus) in Bohemia.
- **1477** – **Pope Sixtus IV** organizes a crusade against the Waldensian Christians (also called the *Vaudois* in the French language) in southern France.

((NOTE: Both the Albigenses and Waldenses (the Vaudois) were Bible-believing Christians who were simple farmers and peasants. They did not want any part of the cesspool of corruption that existed within the hierarchy of the Roman Catholic Church and much of its priesthood. They studied Bible verses whenever they could, and they placed the Holy Bible above papal authority.))

- **1481** – Kickoff of the “**Spanish Inquisition**”. The **Roman Catholic Church’s hierarchy** choreographs an orgy of torture and burning people alive – called the **Inquisition**. Though it is aimed initially and primarily at Jews and Moslems, the **Inquisition** also targets those Christians whose beliefs are not completely in line with the Roman Catholic Church’s doctrines and practices. In the first two years (1481-1483), at least **2000** individuals are burned alive. Author Dave Hunt, in his book *A Woman Rides the Beast* (1994), states: “...In Spain alone the number of condemned exceeded **three million**, with about **300,000 burned at the stake** [during the length of the Spanish **Inquisition**].” (Page 79; Hunt quoting from R. W. Thompson’s book *The Papacy and the Civil Power*)

NOTE: Here is what author Ron Hembree wrote about the Spanish **Inquisition**:

“One of history’s most malevolent persons died on this day [i.e., September 16] in 1498. Tomas de Torquemada, as Inquisitor General of Spain, ordered **more than 10,000 people** to be

*burned at the stake because they didn't agree with his religious views. He used the Inquisition for religious and political reasons, believing punishment of [Ed. Note: so-called] 'heretics' and non-Christians – chiefly Jews and Muslims – was the only way to achieve political unity in Spain. Greatly feared and hated by millions, he persuaded [Spanish King] Ferdinand and [Queen] Isabella to rid Spain of Jews. **More than a million** families were driven from Spain during that time. The country never recovered from the resulting decline." (A Daily Joy; Page 272)*

((Ed. Comment concerning the preceding quote: The **Inquisition** was not only used for "religious and political purposes" – it was also used to **loot and plunder** the lands and possessions of Jews, Muslims, Bible-believing Christians, and even some wealthy Roman Catholics. Many Christians were accused of being "heretics" simply because they held the Holy Bible to be of higher authority than the Papacy, or because they would not submit to corrupt Papal authority. For centuries, Bible-believing Christians were targeted by **Papal Rome** for destruction. Men, women, and children were exterminated like rats as entire villages and regions were targeted. Papal armies exterminated an entire Christian population group – the Albigenses – in southern France. Indeed, torture, brutality, and mass murder were the standard "tools" of the so-called "Holy" **Inquisition**..))

- **1498** – The Italian Dominican Savonarola, who preached and pleaded for reform in his **Roman Catholic Church**, is executed on orders from that same Roman Catholic Church. His crime: he had denounced **Pope Alexander VI** and his corrupt papal court. (Savonarola was a godly Roman Catholic clergyman who had led a great revival in the city of Florence, Italy. He was excommunicated shortly before his execution.)
- **October 6, 1536** – Englishman William Tyndale is strangled and his dead body burnt at the stake in the town of Filford, not far from Brussels. His crime: he had translated the New Testament into the English language. Because powerful **Roman Catholics** in England (such as Sir Thomas More, Chancellor of England) opposed publishing the New Testament in English, Tyndale traveled to the European continent where he was able to get English-language New Testaments published in Germany. Roman Catholic Sir Thomas More put a "hit" out on Tyndale, and he was eventually betrayed and imprisoned not far from Brussels. After 16 months in prison, he was executed as a "heretic".

NOTE: The Roman Catholic Church's hierarchy for centuries forbade the common man to own, possess, or even to read the Holy Bible, especially in his native language. Not only did popes frequently forbid the ownership and possession of the Bible, but they also often commanded the State to impose the strict penalties on those caught with a copy of the Holy Bible in their possession. Author David W. Daniels, in his book Did the Catholic Church Give Us the Bible? (2005), reveals part of the Roman Catholic Church's "track record" concerning her **hatred** of Bible possession and ownership by common people:

**"THE WORD OF GOD:** Check out this history:

- 1229 – Synod of Toulouse forbids reading or owning a Vaudois Bible. (Canon XIV)
- 1234 – Council of Tarragona: No Bible permitted in one's native language. All of them must be burned.
- 1408 – 3<sup>rd</sup> Synod of Oxford: Heresy to have an 'unauthorized' (preserved) English Bible.
- 1559 – Council of Trent: Preserved Bibles are on the 'Index of Forbidden Books'. (Rule III).” (Page 88)

In fact, here is a statement made by Pope Pius IV (Pope 1559-1565):

*“The [Holy] Bible is not for the people; whosoever will be saved must renounce it. It is a **forbidden** book. Bible societies are satanic contrivances.”*

- **1540-1570** – The **hierarchy of the Roman Catholic Church** [i.e., **Papal Rome**] sends a number of armies into southern France and surrounding areas that succeed in butchering at least **900,000** Waldensian Christian men, women, elderly, and children during this thirty-year period.
- **1550-1560** – **250,000** Dutch Protestants are exterminated via torture, hanging, and burning. **Roman Catholic** King of Spain Philip II had sent 10,000 Spanish troops, led by the Duke of Alva, to the Netherlands, in accordance with the *Edict of 1550*, to stamp out Protestantism there.
- **1555** – English scholar Nicholas Ridley and English preacher Hugh Latimer are burned at the stake on the orders of **Roman Catholic** English Queen Mary I (a.k.a. *Bloody Mary*). Queen Mary I and **Roman Catholic** Cardinal Pole tried mightily to bring England back under the yoke of the **Papacy**. “*Bloody Mary*” reigned in England from **1553-1558**. During her evil reign, approximately **two hundred** men and women were burned at the stake, to include bishops, scholars, and the top leaders of the Protestants in England. (Queen Mary I was merely following the advice of her Roman Catholic advisers in England, and the policies of the hierarchy of her Roman Catholic Church.)
- **1555** – English Bishop John Hooper is slowly burned alive at the stake on the orders of **Roman Catholic** English Queen Mary I [i.e., “*Bloody Mary*”]. (Again, she was “*just following orders*”.)
- **1556** – English Archbishop (of Canterbury) Thomas Cranmer is burned at the stake on the orders of **Roman Catholic** English Queen Mary I [i.e., “*Bloody Mary*”]. (Again, she was “*just following orders*”.)

- **1571, 1573, and 1586** – Failed assassination attempts by “**Papal** assassins” occur on the life of Elizabeth I, Queen of England. (The **Papacy** had been working overtime to return England to “Roman Catholic rule”. Queen Elizabeth I had expelled the **Jesuits** from her kingdom in 1570, and fortunately for Elizabeth the Jesuits’ many attempts at “payback” failed.)
- **1572** – A bloody massacre of Protestant French Huguenots by **Roman Catholics** occurs in France. Here is what author Jack Chick wrote about this episode of religious genocide: “On [the night of] August 24, 1572, the bloody St. Bartholomew massacre began. This was to be one fatal blow to **destroy** the Protestant movement in France. The [Roman Catholic] king of France had cleverly arranged a marriage between his sister and Admiral Coligny, the chief Protestant leader. There was a great feast with much celebrating. After four days of feasting, the soldiers were given a signal. At twelve o’clock midnight, all the houses of the Protestants in the city were forced open at once. The admiral was killed, his body thrown out of a window into the street where his head was cut off and sent [Ed. Note: first to the Roman Catholic Cardinal of Lorraine, and then on] to the pope. ...They also **slaughtered** many other well-known Protestants. In the first three days, over ten thousand were **killed**. The bodies were thrown into the river and blood ran through the streets into the river until it appeared like a stream of blood. ...From Paris, the destruction spread to all parts of the country. Over eight thousand more people were **killed**. Very few Protestants escaped the fury of the [**Roman Catholic**] persecutors.” (*Smokescreens*; 1983; Page 14)
- **1584** – William, Prince of Orange [of the Netherlands republic], is assassinated (shot 3 times) by a “**Papal** assassin” named Balthazar Gerard.
- **1588** – The mighty **Spanish Armada** is launched against England in this year. This mighty armada of Spanish naval vessels carrying thousands of troops was tasked with defeating the British navy and putting troops on shore that would be joined by Englishmen loyal to **Papal Rome** within England’s borders. The goal was to bring England back under the authority of the **Roman Catholic** pontiff, who had promised the Spanish king, Philip II, financial compensation for launching this invasion. In fact, **Pope Sixtus V** had promised 200,000 crowns to King Philip II as soon as the Spanish Armada had set sail for England, and more to follow later.
- **1589** – King Henry III of France is assassinated (stabbed to death) by a “**Papal** assassin” named Jacques Clement.
- **November 5, 1605** – The **Jesuit**-led “*Gunpowder Plot*” is thwarted in England. 36 barrels of gunpowder had been placed under the British Parliament building in an attempt to murder King James I and members of Parliament. The **Jesuits’** goal was to eliminate the leadership of the country so that England could be brought back under **Papal** authority!

- **May 14, 1610** – King Henry IV of France is assassinated (stabbed to death) by a “**Papal assassin**” (a monk named Ravalliac). This is **Jesuit** “payback” to (i.e., retaliation against) King Henry IV for having the “audacity” to grant “religious liberty” to all his subjects – both Protestant and Roman Catholic – in his 1598 “*Edit of Nantes*”. ((NOTE: **Jesuit** priest Pere La Chaise, father confessor to King Louis XIV of France, would later persuade that king to revoke the “*Edict of Nantes*” in 1685.))
- **1618-1648** – The *Thirty Years’ War* takes place. This bloody religious war was planned, instigated, and orchestrated by the Roman Catholic **Jesuit Order** and its surrogates in an attempt to exterminate all Protestants from off the face of the European continent.
- **1641** – The bloody massacre of Protestants by **Roman Catholics** occurs in Ireland. Approximately **150,000** Protestants were butchered from 1641 through 1649. Here is what author Jack Chick wrote about this episode of religious genocide:

*“A similar massacre [Ed. Note: i.e., similar to the St. Bartholomew’s Massacre in France in 1572] occurred in Ireland in 1641. The [Roman Catholic] conspirators picked October 23<sup>rd</sup>, the feast of Ignatius Loyola, the founder of the Jesuit Order. They planned a general uprising for the whole country. All Protestants would be killed at once. To throw them [i.e., the Protestants] off guard while the plan was being made, extra acts of kindness were shown to the Protestants. Early in the morning [of October 23, 1641] the conspirators were armed and every Protestant they could find was immediately murdered. They showed no mercy. From children to the aged, they were killed. Even invalids were not spared. They were caught by complete surprise. They [i.e., the Protestants] had lived in peace and safety for years and now found no place to run. They were massacred by neighbors, friends, and even relatives.*

*Death often was the least they had to fear. Women were tied to posts, stripped to the waist, their breasts cut off with shears and left to bleed to death. Others who were pregnant were tied to tree branches, their unborn babies cut out and fed to the dogs while the husbands were forced to watch.” (Smokescreens; 1983; Page 17)*

((Note: Author Jack Chick made the following observation in his book *Smokescreens* (on page 17) about an important **similarity** between the massacre of Protestant French Huguenots in 1572 and the massacre of Irish Protestants in 1641: “What you’ve just read [about the massacre of Protestants in France in 1572 and in Ireland in 1641] is fully documented and historically factual. It is found in *Foxe’s Book of Martyrs*. ...Both of these murderous assaults by the Vatican against the [Protestant] Christians in France and in Ireland followed a **similar** pattern. Before the attacks, there was a time of healing when the Roman Catholics became friendly and warm, and in both cases the [Protestant] Christians were so relieved that they let their guard down and assumed the Vatican had changed. This was their fatal mistake and it **cost them their lives**.”))

- **1685 – Roman Catholic** French King Louis XIV, at the urging of his father-confessor, **Jesuit** Pere La Chaise, revokes the “*Edict of Nantes*” that had granted religious liberty to all Frenchmen. King Louis XIV then orders his murderous dragoons to slaughter the French Protestant Huguenots. **500,000** innocent Protestants (men, women, and children) are butchered!
- **1769** – Pope Clement XIII is assassinated (poisoned to death) by the **Jesuits** the day before he was to sign a papal document banning the Jesuit Order. (Even Roman Catholics have been murdered by their own hierarchical system and the secret societies, like the Jesuit Order and its P2 Masonry, that control the top levels of the Roman Catholic Church!)
- **September 1774** – Pope Clement XIV is assassinated (poisoned to death) by the **Jesuits** about 14 months after he had signed a papal document in 1773 banning the Jesuit Order forever. ((Note: Since the official recognition of the Jesuits as a Roman Catholic religious order in 1540, the Jesuits have controlled the Papacy from *behind the scenes*. The relatively few popes who tried to curb their power met with the same fate (i.e., assassination) as did Pope Clement XIII and Pope Clement XIV.))
- **1825** – Tsar Alexander I of Russia is assassinated (poisoned to death) by the **Jesuits**. (This Jesuit “payback” was carried out because Tsar Alexander I had expelled the Jesuit Order from all of Russia in 1820.)
- **April 14, 1865** – President Abraham Lincoln is assassinated (shot to death) by John Wilkes Booth. A 12-man military commission tries eight of the conspirators in the assassination plot; it hangs four of them. One of the conspirators, John Harrison Surratt, aided by **Roman Catholic** priests, hides out in Canada, and then flees to England, and then on to **Rome**, where he becomes a member of one of the Pope’s Zouaves military units. Returned for civil trial in Washington, D.C., in 1867, he “walks” despite overwhelming evidence against him – due in large part to **Jesuit** priests from Georgetown providing “advice” to Roman Catholic members of the jury. The U.S. government finds so much involvement by the Papacy in the assassination of Lincoln that it breaks all diplomatic relations with the Vatican in 1867. ((If you doubt any of this, then please read the two books-in-one volume (*The Suppressed Truth about the Assassination of Abraham Lincoln* by Burke McCarty and *Rome’s Responsibility for the Assassination of Abraham Lincoln* by U.S. Army Brigadier General Thomas M. Harris – who was a member of the previously mentioned 12-man military commission that tried eight of the conspirators). This book is \$14.00 postpaid. To order it, please make check or postal money order payable to “Ozark Book Publishers”, and mail it to: Ozark Books // P.O. Box 3703 // Springfield, MO 65808.))
- **1868** – Emperor Komei of Japan is assassinated. According to Eric Jon Phelps, author of the excellent book *Vatican Assassins*, the **Jesuits** used agents of Ambassador Thomas Glover for the assassination.

- **1872** – Mexican President Benito Pablo Juarez is assassinated (poisoned to death) by “**Papal** assassins” – **Jesuit** “payback”. Juarez had expelled the **Roman Catholic** Archbishop of Mexico, five **Roman Catholic** bishops, and 200 **Jesuit** priests. President Juarez had also enforced the Constitution of 1857 that granted freedom of speech and press to all Mexicans!)
- **March 13, 1881** – Tsar Alexander II of Russia is assassinated (killed by a bomb). There had been six previous failed assassination attempts on his life. Tsar Alexander II of Russia was hated by the **Jesuits** for at least two reasons: (1) His father, Tsar Alexander I, had expelled the Jesuits from Russia in 1820. (2) He (Tsar Alexander II) had supported Lincoln and the Union during the American Civil War of 1861-1865, whereas the Roman pontiff, Pope Pius IX, had supported the Confederacy! Tsar Alexander II had sent part of his Russian Naval Fleet to U.S. waters to prevent France and England from intervening militarily on the side of the Confederacy.
- **1882** – Leon Michael Gambetta, French leader who had abolished the Jesuit Order in France in 1880, is assassinated (shot to death) – yet another case of **Jesuit** “payback”.
- **1914** – The kickoff for World War I occurs in the Balkans. **Vatican** involvement is clearly recognizable. (Please see the following note).

NOTE: Please carefully consider the following quote:

*“The public is practically unaware of the overwhelming responsibility carried by the **Vatican** and its **Jesuits** in the starting of **two world wars** – a situation which may be explained in part by the gigantic finances at the disposition of the **Vatican** and its **Jesuits**, giving them power in so many spheres, especially since the last conflict.”*

Edmond Paris (*The Secret History of the Jesuits*; 1975; Page 9)

In *The Secret History of the Jesuits*, Edmond Paris goes on to point out that, contrary to Roman Catholic Church propaganda, Pope Pius X actually helped instigate hostilities between Austria-Hungary and Serbia. Both the Hapsburg dynasty (rulers of Austria-Hungary) and the **Vatican** saw the growing power of Serbia as a “threat”. In fact, in late 1913 Austrian Prince Schonburg had an audience with **Pope Pius X**, who told Schonburg: “It would certainly have been better if Austria-Hungary had **punished** the Serbians for all the wrongs they had done.” In other words, this Roman Catholic pope was letting this Roman Catholic European power (Austria-Hungary) know that it was past time to “take care of” the Serbian problem! The vast majority of Serbs are Orthodox Christians, and Orthodox Christians have long been hated by **Papal Rome**!

- **1917** – The Russian Revolution takes place. The Bolsheviks (Communists) seize power in Russia – funded by wealthy ***Knights of Malta*** in the United States. Later, two **Jesuit**-trained thugs, Joseph Stalin and **Roman Catholic** Cardinal Gregory Agagianian, oversee the Soviet Gulag system. (Note: Both Stalin and Agagianian had been trained by **Jesuits** who taught at the seminary in Tiflis, Soviet Georgia.) **Millions** of Russian Orthodox Christians are butchered at the hands of a vicious, totalitarian Police State. (Remember, the **Papacy** has long hated Orthodox Christians, and has slaughtered them whenever and wherever it could.)
- **1941-1945** – The Jewish holocaust occurs in Nazi-Fascist-controlled Europe. Up to **six million** Jews are murdered and starved to death. **Roman Catholic** involvement in this holocaust is extensive. Roman Catholic German ***Knight of Malta*** Franz von Papen is one of the top players involved in putting Adolf Hitler into power. The German **Roman Catholic** Center Party's endorsement of, and unanimous vote for, the *Enabling Act* of March 1933 is crucial, giving Adolf Hitler the 2/3s majority he needs to assume dictatorial powers in Germany. **Jesuit** "father" Himmler (uncle to Heinrich Himmler) is a top officer in the Nazi **SS** (which is admittedly modeled after the **Jesuit Order**). A number of **Roman Catholic** priests put on the black uniforms of the Nazi **SS**. The **Vatican** signs Concordats with Nazi Germany and with Fascist Italy. **Roman Catholics** are installed as puppet dictators in a number of Fascist countries. For example, in Slovakia, the **Jesuit** priest, Monsignor Tiso, is installed as dictator. Additionally, Roman Catholic ***Knights of Malta*** head up three powerful intelligence agencies during World War II (William Donovan heads the American OSS – which later becomes the CIA; German General Reinhard Gehlen heads Nazi Intelligence on the eastern front; and Russian Anton Turkul heads Soviet Intelligence, and uses **Jesuit** priests for his couriers). By using elements within the warring factions, the **Vatican** is able to ensure the slaughter of large numbers of its favorite targets: Jews, Protestants (in northern Germany and in Prussia), and Orthodox Christians. At the end of the war, the **Vatican** helps many Nazi and Fascist war criminals to escape via the "*Vatican Ratlines*", hiding them in convents and monasteries in Europe until they can safely escape to such countries as the USA, Argentina, etc.

NOTE: Here are three quotes that reveal the mutual admiration between the **Vatican** and the totalitarian dictatorships in Europe during World War II:

*"**Fascism** is the regime that corresponds most closely to the concepts of the Church of Rome."*  
– *Civiltà Cattolica* (House organ of the Jesuits)

*"I have learnt most of all from the **Jesuit Order**. ...So far, there has been nothing more imposing on earth than the hierarchical organization of the [Roman] **Catholic Church**. A good part of that organization I have transported direct to my own [Nazi] party. ...The [Roman] **Catholic Church** must be held up as an example. ...I will tell you a secret. I am founding an order [Ed. Note: the Nazi **SS**]. ...In [Heinrich] Himmler [Ed. Note: who would become head of the Nazi **SS**] I see our Ignatius de Loyola [Ed. Note: the founder of the **Jesuit Order**]." – Adolf Hitler (Nazi dictator of Germany from 1933 to 1945)*

*"The declaration of [Roman Catholic Jesuit] Monseigneur [Ed. Note: French spelling of "Monsignor"] Tiso, chief of the Slovakian state, stating his intention to build up Slovakia according to a Christian [sic] plan, has the full approval of the Holy See [i.e., the Papacy]." – **Radio Vatican** (June 1940)*

((Ed. Comment to the preceding quote: This **Jesuit** monster (Tiso) was put into power by Hitler's Nazi Germany, with the blessings of the Vatican. **Jesuit** Tiso, using his "Christian" [i.e., **Roman Catholic**] plan, brutally persecuted Protestants and Jews in Slovakia, sending them to concentration camps!))

Please take a moment to ponder the significance of those three quotations – especially the first one, as to how they might possibly apply to us here in **America** in the near future. After all, a massive police State with tremendous intelligence-gathering capabilities has already been set up here in America!

- **1941-1945** – The "**Vatican's** holocaust" occurs in Croatia. Though primarily directed against Serb Orthodox Christians, much smaller numbers of Jews and gypsies are also targeted. This monstrous, barbaric, and savage religious genocide is planned, orchestrated, and conducted by **Roman Catholic clergymen** – mainly **Franciscan** monks, friars, and priests, along with several high-ranking **Jesuits**. Roman Catholic Croatian Fuehrer Ante Pavelic teams up with high-ranking **Roman Catholic prelates**, such as Jesuit Monsignor Aloysius Stepinac (Archbishop of Zagreb) and Jesuit Monsignor Ivan Saric (Archbishop of Sarajevo), to use **Roman Catholic Ustashi** military units to torture and butcher from **600,000 to 1 million** innocent Serb Orthodox Christian men, women, elderly, and **children**. This religious genocide includes the most brutal forms of torture, forced conversions, burning people alive, raping and murdering girls and women, impaling young children alive on stakes, gouging out the eyes of victims to make necklaces, starving children to death, burying victims alive, crucifying Orthodox priests to wooden doors, and some other atrocities that I do not feel should be written in a newsletter. **Roman Catholic clergymen** not only frequently advise the Roman Catholic **Ustashi** military units on how to torture and murder, but also actually participate in the savagery. A Franciscan monk, by name of "father" Miroslav Filipovic, served as the cruel camp commandant at Jasenovac (one of the worst of the concentration camps).

Here is what Monica Farrell, author of the booklet "*Ravens Wolves*", said about this savage episode of **Roman Catholic**-led religious genocide:

*"This [Ed. Note: Monica Farrell's booklet "*Ravens Wolves*"] is the record of **torture and murder** committed in Europe in 1941-1945 by an army of [Roman] **Catholic Actionists** known as the **Ustashi**, led by monks and priests, and even participated in by nuns. The victims [Ed. Note: most were Serb Orthodox Christians] suffered and died in the cause of liberty and freedom of conscience. The least we can do is to read the record of their sufferings and keep in mind that it happened, not in*

the 'dark ages', but in our ENLIGHTENED [Ed. Note: emphasis in original] generation. *Ustashi* is another name for **Catholic Action**."

((NOTE: A tremendous quote by Avro Manhattan, taken from page 9 of his book *The Vatican's Holocaust* (1986), sums up well why we all should be concerned about this horrible religious genocide conducted by the most powerful religious-geopolitical-financial institution in the world that happened NOT 1000 years ago, but rather happened less than 70 years ago:

"...Here [in Fascist Croatia in the 1940s] the [Roman] Catholic Church [erected] a State in complete accord with all her tenets. The result was a **monster** standing upon the armed might of twin totalitarianisms: the totalitarianism of a ruthless Fascist State and the totalitarianism of [Roman] Catholicism...

What gives to such a creature of Vatican diplomacy its peculiar importance is that here we have an example of the [Roman] Catholic Church's implementing all her principles, unhampered by opposition, or by fear of world opinion.

The uniqueness of the Independent Catholic State of Croatia lies precisely in this: that it provided a **model**, in miniature, of what the [Roman] Catholic Church, had she the power, would like to see in the West and, indeed, everywhere. As such it should be carefully scrutinized. For its significance...is of the **greatest import** to all the freedom-loving peoples of the world.")

- **1960s** – Vietnam: Three **Roman Catholic** leaders in Vietnam try to set up a **Roman Catholic** dictatorship in a country where the vast majority of the people are Buddhists. Here are some excerpts from my TTT newsletter entitled "*The Vietnam War*":

(1) "Editor of TTT doubts if you will find very much information on the 'Ngo Dinh' brothers in most U.S. history textbooks. One brother, **Ngo Dinh** Diem, became president of the newly formed Republic of Vietnam in 1956. The second brother, **Ngo Dinh** Nhu became the head of the secret police. The third brother, **Ngo Dinh** Thuc, was the Roman Catholic Archbishop of the city of Hue. Despite the fact that the overwhelming majority of Vietnam's population was **Buddhist** (80%), these three **Roman Catholic** leaders attempted to set up a Roman Catholic dictatorship. According to Avro Manhattan, author of the book *The Vatican's Holocaust*: 'The trio [the Ngo Dinh brothers] had been inching for years toward veritable **religious persecution** of the vast majority of the country's [i.e., South Vietnam's] population of 15 million, only 1.5 million of whom were [Roman] Catholic.'"

(2) "The heavy-handed Roman Catholic religious discrimination against Buddhists led to numerous peaceful protests by Buddhists across South Vietnam. During several of these protests, Buddhist monks set fire to themselves to draw attention to the religious persecution in South Vietnam. Avro Manhattan describes the response of President Ngo Dinh Diem:

'The government sent troops and armored cars and fired at the demonstrators, killing nine Buddhists.

...Discrimination against the Buddhists continued unabated. Arrests of Buddhist monks multiplied. [Buddhist] Pagodas were declared [off limits], closed, and at times even attacked.

...Buddhist monks, Buddhist nuns, and Buddhist leaders were arrested by the thousands.

...Buddhists were tortured by the police.

...[South] Vietnam was put under martial law.

...The [South Vietnamese] army became openly restive and put up passive resistance...against their own government. Result: the war against the Communist north was being lost, since the population at large, upon whose support the struggle ultimately rested, refused to cooperate.'"

(3) "So many people were arrested that special 'internment camps' were set up. Avro Manhattan describes the situation as follows:

'The jails were soon bursting with prisoners. The mass arrests became so numerous that finally it was necessary to open detention camps followed by additional ones euphemistically called 'internment camps'...

There followed massacres within and outside such detention sites, like those which took place at Mocay, Thanhphu, Soctrang, Cangiuoc, Dailoc, Duyxuyen, to mention only a few. Religious sects and racial minorities were persecuted, arrested, and whenever possible ELIMINATED.

Minority groups were exterminated or accepted the [Roman] Catholic Church to save their lives.'"

- **November 22, 1963** – U.S. President John F. Kennedy (JFK) is assassinated (shot to death). A number of ***Knights of Malta*** (a Roman Catholic religious-military order co-located in Rome with, and controlled by, the **Jesuit** Superior General) are involved in planning and choreographing the assassination, or are involved in the subsequent cover-up (e.g., James Jesus Angleton of the CIA – who is appointed **CIA liaison** to the *Warren Commission*). ((NOTE: A number of 33 degree Freemasons are also involved in the JFK assassination and/or cover-up. John Daniel, in his book *The Grand Design Exposed*, makes a good case that the Jesuit Order controls the top levels of Freemasonry. Thus, there is a lot of evidence of **Papal-Jesuit** involvement in the assassination of President John F. Kennedy, just as there was a lot of evidence of **Papal-Jesuit** involvement in the assassination of President Abraham Lincoln.))

((NOTE: Some Roman Catholic apologists may cry: "Aha, Editor of TTT did not name the actual assassins in some of the assassinations listed in this newsletter." True – the assassins' names are not always known – even hundreds of years after the event. However, it was the **Vatican** – the **Papacy** –

and more often than not, the **Jesuit Order** – that had the **MOTIVE**, the **MEANS & ASSETS**, and the well-documented history of such sinister activities. Additionally, Papal-Jesuit “modus operandi” often nicely fits the criminal act. To explain in more depth:

- **MOTIVE** – The motive is to expand the power of the **Papacy** (and in doing so, the power of the **Jesuit Order**), or simply to expand the power and/or wealth of the **Jesuit Order** alone; to punish those monarchs, presidents, or other leaders – or entire nations or peoples – who would not “play ball” with the Vatican (or more specifically, with the Jesuits); to punish popes who dared step “out of line” as concerns the **Jesuits’** game plan; to “pay back” monarchs, presidents, or other leaders who had dared to curtail the Jesuits’ activities within their borders – or who had dared to expel the Jesuits from their borders; etc. At any crime scene, we must ask the question: “*Cui bono?*” (i.e., “*Who benefits?*”)
- **MEANS & ASSETS** – Through the many Roman Catholic orders, parish priests, the confessional box (used by Roman Catholic priests who are “father-confessors” to national leaders and other powerful individuals, as well as to common folk), etc., the Vatican possesses an intelligence network-information-gathering system that dwarfs the combined intelligence assets of the CIA, FBI, MI-5, MI-6, the Mossad, and the FSB & SVR (old KGB)! Also, because of its many monastic orders, its ties with the CIA and the Mob/Mafia, etc., the Vatican has an almost unlimited supply of “motivated” or highly paid assassins. Additionally, because the Vatican is probably the richest institution on the face of the earth, it has tremendous sources of finance on which to draw for such assassination operations. (Also, a number of top leaders and top officials of intelligence agencies (e.g., William Donovan, William Casey, John McCone, William Colby, George Tenet, James Jesus Angleton, etc.) have been ***Knights of Malta*** – a **ROMAN CATHOLIC** religious-military order headquartered with, and controlled by, the **Jesuit** Superior General!)
- **DOCUMENTED HISTORY & MODUS OPERANDI** – What other institution in recorded history has such a well-documented track record of assassinating heads of State and Protestant leaders? What other institution has regularly used poison to kill so many of its enemies? What other “religious institution” (calling itself “Christian”) in the last 1000 years has regularly resorted to torture and **religious genocide** against other Christians? ANSWER: It is **Papal Rome**, which has long been controlled by the Jesuit Order (i.e., for over four centuries)!

### III. SUMMARY

The preceding information was but a **small** sampling of **Papal Rome’s** well-documented history of torture, mass murder, and other sinister activities.

The Papacy has for many centuries hated Jews, Bible-believing Christian groups, Orthodox Christians, and later, Protestants. This hatred has rarely been disguised, and has frequently manifested itself in the most savage torture of fellow human beings on a scale not even closely approached by any other religious institution calling itself “Christian” in the history of the world.

This barbarism – this savagery – has not been limited to the 12<sup>th</sup> century. This barbarism – this savagery – manifested itself as recently as the **1940s** in **Roman Catholic**-controlled Fascist Croatia, where **Roman Catholic Ustashi** military units, led by **Roman Catholic** clergymen (mostly Franciscans), went on an orgy of torture, rape, and murder of innocent Serb Orthodox Christians that rivaled – no, exceeded – just about anything that can be found in the annals of pagan savagery. Their deeds included impaling small children on stakes, gouging out people’s eyes, crucifying Orthodox priests to wooden doors, burning people alive, flaying people alive, raping and ravishing girls and women, forcible conversions, etc. This vile, wicked disregard of human life was directed at innocent men, women, elderly, and children – led by, sanctioned by, and blessed by **Roman Catholic clergymen**, who actually participated in these vile atrocities! This is a recent case in the history of State-Church genocide!

#### IV. CONCLUSIONS & QUESTIONS

1. While there are good, decent people within the ranks of Roman Catholicism (most are at the lower levels), Roman Catholicism is dominated at the top by men from secret societies (Jesuits, *Knights of Malta*, and P2 Masonry) who are not Christians by any stretch of the imagination. Even before the Jesuits appeared formally on the scene in the Roman Catholic Church in the mid 1500s (officially recognized as a religious order in 1540), very wicked men often held the highest positions within the Roman Catholic Church, to include the office of pope itself! These wicked men directed “*holy*” **crusades** against Jews, Moslems, and Christians! These wicked men organized that awful institution (office) of the “*holy*” **Inquisition**, which regularly used the most brutal tortures mankind has ever seen. This office of **Inquisition** still exists, although it has undergone two “name changes” in recent history.
2. The key doctrines and objectives of the Roman Catholic Church have not changed, despite all the “*ecumenical rhetoric*” of loving the “*separated brethren*”, of becoming more “liberal”, etc. The Roman Catholic Church has never repudiated her “right” to use force wherever and whenever she has the opportunity to do so. She has never repudiated her “right” to use torture. She (at her highest levels) still hates, despite her “*ecumenical rhetoric*” to the contrary, Jews, Protestants, Orthodox Christians, independent Bible-believing Christians, and even those Roman Catholics who would dare to question any of her doctrines or practices!
3. Question: Was the persecution of Jews, Orthodox Christians, Protestants, and other Christians in World War II (especially in Nazi Germany and Croatia) a model of what the Roman Catholic Church has planned for many of us **Americans** immediately preceding or during the early stages of World

War III and/or during the implementation of full martial law in the USA? ((Don't forget, the **Roman Catholic Church** put Hitler into power in Nazi Germany through its ***Knight of Malta*** Franz von Papen, and the German **Roman Catholic** Center Party that handed Hitler dictatorial powers by voting for the 1933 *Enabling Act*! Don't forget that the **Roman Catholic Church** supported Hitler, Mussolini, Ante Pavelic (in Croatia), **Jesuit** Monsignor Tiso (in Slovakia), and other **Roman Catholic** dictators throughout Europe during World War II! Don't forget that the Nazi **SS** was modeled after the **Jesuit Order**! Don't forget that Hitler claimed that he was merely following the example of the **Roman Catholic Church's** historical persecution of the Jews when he persecuted them in Nazi Germany!))

4. Question: Which country will American Jesuits, American *Knights of Malta*, American high-level *Knights of Columbus*, and American top-level members of *Opus Dei* support when a **Vatican-backed** total fascist Police State goes into full swing here in the USA: **America or the Vatican State**? Some people note the dual loyalty of American Jews who are both Israeli and American citizens. But almost nobody talks about the dual loyalties of American **Roman Catholic** prelates (at the higher levels), Jesuit Provincials and other top officials of the Jesuit Order in the USA, American Roman Catholic *Knights of Malta* in key power positions in the U.S. government and intelligence agencies, and high-level American Roman Catholic *Knights of Columbus*, etc. **Why?**

((NOTE: During World War II the German army invaded and occupied the sovereign state of Yugoslavia. Croatia was at that time a part of Yugoslavia. Top-level **Roman Catholics** in the Yugoslav government and Yugoslav army **BETRAYED** their country and their fellow countrymen into the hands of the invading German army, because the **Vatican** fully supported Nazi Germany, Fascist Italy, and their Fascist allies. These **Roman Catholic** Yugoslav citizens who held key positions in the Yugoslav government and Yugoslav military showed the German soldiers where weapons and military supplies were stored, and betrayed members of the Yugoslav Resistance into the hands of the invading troops. Their loyalty to the **Vatican** (i.e., the Papacy) took precedence over their loyalty to their own country (and over their loyalty to the government or army in which many of them served)! It couldn't happen here in America, you say? Why couldn't it? Since the Papacy favors Fascist-type regimes, why wouldn't it favor a Fascist regime (a totalitarian Police State) here in America, and tell its "faithful" to march "lock step" with such a totalitarian regime?))

5. Question: How can anybody, whether Roman Catholic or non-Roman Catholic, defend this so-called "religious" institution, the Roman Catholic Church, which has tortured, butchered, and slaughtered millions of Jews, independent Bible-believing Christian groups (prior to the use of the term "Protestants"), Orthodox Christians, and Protestant Christians – and thousands of Moslems – over the centuries?

6. For those who might in gross ignorance accuse me of trying to "start a religious war" between Roman Catholics and Protestants in America, let me say that I am trying rather to "**prevent** a religious genocide" from being perpetrated on America's Christians and Jews by the **Vatican** and its proxies here in the United States whenever this country is placed under full martial law – and/or whenever

this country and its people are placed under the control of a one-world government with its one-world religion (headed by the Jesuit-controlled Vatican).

Not one of the Protestant or other Christian denominations has:

- An “*Office of **Inquisition***” (now called the *Congregation for the Doctrine of the Faith*);
- Powerful **Religious-Military** orders (like the Roman Catholic Jesuit Order and its *Knights of Malta*).
- A **militia** for its religious leader (like the *Knights of Columbus* – the pope’s militia); and,
- A **well-documented history** of frequently carrying out religious genocide, fomenting wars and revolutions, supporting Fascist dictatorships, etc.

Rather, it is the Vatican, and the **Vatican alone** of all “Christian” sects and denominations, which has all of the above-listed items. It is the **Vatican alone** that aspires to once again have both spiritual and temporal power to rule on the earth as **Papal Rome** ruled in Europe for centuries during the “dark ages”.

((IMPORTANT NOTE: In case anyone is thinking of accusing me of “hate” for writing this newsletter, let me say a few words:

1. It is NOT “hate” to:

- Repeat some facts from history in order to try to warn folks of great danger (i.e., “*holy*” ***Inquisition***) that may strike here in the near future.
- Expose a mass-murdering serial killer of an institution (i.e., **Papal Rome**) that loves to use torture and to exterminate entire population groups.
- Expose an institution (i.e., **Papal Rome**) that is a HATER of Jews, Protestants, Orthodox Christians, etc.
- Expose an institution (i.e., **Papal Rome**) that loves Fascist regimes.

2. It is HATE to:

- Torture human beings (e.g., centuries of Roman Catholic ***Inquisition***).
- Conduct religious genocide against any and all groups who are different in their religious beliefs than the Roman Catholic Church’s belief system whenever and wherever the

opportunity presents itself (such as in Fascist Croatia in the 1940s, and in Vietnam in the 1960s).

- Assassinate (both literally and figuratively – i.e., character assassination) any and all individuals who expose the Roman Catholic Church's propensity for torture, *Inquisition*, and religious genocide – or who expose her false doctrines and her proud, pompous, and pretensions claims of authority to rule over everyone, in both the secular and ecclesiastical arenas, wherever her shadow falls.))

## V. FINAL THOUGHTS

Again, this was a tough newsletter to write; and no doubt for some folks it is, or will be, a tough newsletter to read. Sadly, history indeed is full of numerous examples of the bloody deeds of *Papal Rome*. I did not list some of the bloody events that *Papal Rome* clearly was involved in, such as the French Revolution. (In some of their sinister activities they were a little more careful in covering up their “tracks” than in others.) I urge you to read John Daniel's book *The Grand Design Exposed* to see some solid evidence of Jesuit involvement in **fomenting** the bloody French Revolution. Likewise, due to space limitations, I did not list the many other assassinations that the Jesuits have carried out. Please read Bill Hughes' book *The Secret Terrorists* – he makes a pretty good case of Jesuit involvement in the assassination of a number of U.S. presidents.

A massive hierarchical structure, such as that found in the Roman Catholic Church, is wonderfully made for the use of evil men to carry out torture, *Inquisition*, and mass murder. Sadly, it has often been used throughout history for those very purposes. As John E. E. Dalberg Acton wrote: **“Power tends to corrupt, and absolute power corrupts absolutely.”**

My TTT newsletters are not written strictly for a Christian audience, as are my ETI newsletters. However, I must state here in this TTT newsletter that my yearly study of the entire Holy Bible, from Genesis to Revelation, for over a decade, has clearly shown me that the Lord Jesus Christ would never have wanted **power-hungry** men to set up an evil, massive, hierarchical, totalitarian “religious system” that would “rule **vigorously**” over all Christians and over all peoples that fell under its “shadow”. Nor did He intend that a special priesthood would be created that was similar to, and rivaled, the **pagan** priesthood in Babylon, and in imperial Rome. ((Please read Alexander Hislop's book *The Two Babylons*..))

The relatively short history of communism has shown us that whenever they were in the minority in a country, they pleaded for acceptance and “tolerance” – until they could seize **all** the levers of power. Then there was NO acceptance or tolerance on their part for any rival or competing groups.

When the Roman Catholic Church came to America, she asked for acceptance and tolerance – and, for the most part, she received such. Now that the Roman Catholic Church has grown very powerful in America, will she now help destroy the very freedoms that allowed her to take root here in America? Will the Roman Catholic Church, both here in America and at the Vatican, cooperate with the forces that seek to enslave America and the rest of the world under one-world government and one-world religion (under the auspices of a New World Order)? Is the hierarchy of the Roman Catholic Church, with its infamous Jesuit Order, at the very head of this effort to bring in a New World Order? And again, which country will American Roman Catholics in powerful positions in our military and government support – the Vatican State or America – when the pope comes out in support of whatever totalitarian regime is set up here in America when we go under full-blown martial law – or under a one-world government? Will key American Roman Catholic prelates (such as the 10 Jesuit Provincials reportedly assigned to the USA) spearhead a religious genocide here in America at that time, as key European Roman Catholic prelates spearheaded a religious genocide in Fascist Croatia during World War II? These are questions that must be asked – and then fully discussed in an open forum.

3. (NOTE added on April 11, 2007): This editor highly recommends that readers of this issue of TTT either purchase or rent (and then view) a copy of the outstanding movie ***“Luther”*** (2003) by *NFP* and *First Look Media*, and starring Joseph Fiennes as the Reformer Martin Luther. (The DVD version is by *Metro Goldwyn Mayer – MGM*.) This movie tells the true story of how Martin Luther (1483-1546), while still a priest in the Roman Catholic Church, challenged ***Papal Rome’s*** teachings and practices that did not “square” with the Holy Bible, such as ***“indulgences”***. This movie clearly shows some of the methods ***Papal Rome*** has frequently used in the past to deal with those who would dare to challenge her doctrine and/or authority – even from within the Roman Catholic Church!

***“Who will rise up for me against the evildoers? Or who will stand up for me against the workers of iniquity?”*** (Psalm 94:16)
